Sir:

In response to the Office Action dated September 24, 2004, reconsideration is requested for the reasons set forth below.

At the outset, appreciation is expressed to the Examiner for the Examiner's amendment noted in the first paragraph on page 2 of the Office Action regarding the amended Title.

Reconsideration and removal of the obviousness type double patenting rejection of claims 1-5 over claims 1-5 of the parent U.S. Patent 6,750,513 is respectfully requested. Although Applicants believe that claims 1-5 of the present application define a separate patentable invention from claims 1-5 of the parent U.S. patent, in order to expedite allowance of the present application Applicants are filing herewith a Terminal Disclaimer to obviate the obviousness type double patenting rejection. Accordingly, entry of this Terminal Disclaimer, and allowance of the application, is respectfully requested.
